Summary

Hello there, I'm Nodir! and I am glad to welcome you in my profile.

Experience in Front-End over 4 years

More than 1 year experience in Back-End

For me, every project is unique. Therefore, I do not seek to use standard solutions. However, at the request of the customer, this option is also not excluded.

I work with:

html, css, bootstrap, tailwindcss, js, jQuery, RestApi, ReactJs, Redux, VueJs, NextJs, ExpressJs, NodeJs, Php, Yii2, Figma.

By working with me you get:

- Clear and neat code
- Convenient design, with an intuitive interface
- Work to the desired result
- Prompt response to questions about the project
- Compliance with deadlines and responsible approach to work
- Daily progress reports
